Control Your Light in a Smart Way

tp-link | Smart Home

Smart Wi-Fi Light Switch

> **HS200**

- **Remote Access**
  Control your home lighting from anywhere with your smartphone or tablet using the free Kasa app

- **Scheduling**
  Set lights to turn off and on at dawn, dusk, or any time that works with your daily schedule

- **Away Mode**
 Make it look like you're home when you're not by having your lights turn off and on randomly while away

- **Works with Amazon Alexa**
  Turn on or off the bulbs connected to the Smart Switch just using your voice with Amazon Echo, Dot, Tap and other supported devices(sold separately)

- **LED Indicator**
  Find the switch easily, even at night when all your lights are turned off
